

Any Dream Will Do (Finale)

Joseph and the Amazing Technicolor Dreamcoat

Andrew Lloyd Webber/Tim Rice

I closed my eyes, drew back the curtain to see for certain what I thought I knew
 Far far away, someone was weeping but the world was sleeping, any dream will do
 I wore my coat, with golden lining Bright colours shining, wonderful and new
 And in the east, the dawn was breaking and the world was waking, any dream will do
 A crash of drums, a flash of light, my golden coat flew out of sight
 The colours faded into darkness, I was left alone
 May I return to the beginning, the light is dimming and the dream is too
 The world and I, we are still waiting, [still hesitating, any dream will do]2
